RAJ TENT CLUB

Established in 1997, Raj Tent Club was the first company to develop and introduce the use of decorative tents to the UK wedding industry.

Over the past twenty years, we have catered for many hundreds of weddings all over the UK, as well as in Ireland, France, Italy and Switzerland. Our experience is second to none.

Our tents have provided the backdrop for fabulous wedding ceremonies and receptions in private houses, palaces, stately homes, châteaux, and grand hotels.

In London we are preferred suppliers at Kensington Palace, Royal Hospital Chelsea, Dulwich Picture Gallery, Hampton Court Palace, Chelsea Physic Garden, Fulham Palace, The Orangery Holland Park and Amber Lakes.

What sets us apart from other tent and marquee companies is our customer service, our unique styling and our attention to detail.

We undoubtedly have the largest selection of beautiful linings in the industry, and this, together with our substantial range of furniture, lighting and accessories, allows us to offer a myriad of styling choices; from plain chic simplicity to all out Bollywood and everything else in between.

All our tents are made by hand in India, using natural materials and employing many different local skills; block printing, dyeing, tassel making, embroidery, mirror work, weaving and many more.

QUINTUPLE MAHARAJA

This is a tent for entertaining on a grand scale. It is the largest of our wedding tents with a capacity for 600 people standing, 300 people dining, or 240 dining together with a large dance floor. Our Indigo and Red Gold Star linings can be used to contrast the dancing area and the main dining space

To provide even more space, we can add a sixth Maharaja on to the end of the Quintuple, thereby creating a tent measuring 10m x 36m, enough to accommodate up to 360 diners.

The Quadruple Maharaja caters for the larger wedding or civil ceremony. It can accommodate up to 240 people sitting down around 5ft 6in tables or up to 200 diners with a dance floor and some chill out furniture.

Clients have the option of lining the dancing area in a contrasting colour to that of the main dining area.

TRIPLE MAHARAJA

The Triple Maharaja is our most popular Wedding Tent and is perfect for a medium size wedding reception or civil ceremony. It can accommodate up to 180 guests for the Wedding Breakfast or 120 guests with dance floor and some chill out furniture.

Our brides and grooms often choose to line the dancing area in a contrasting colour to that of the dining area.

DOUBLE MAHARAJA

The Mahal tent, the latest addition to our collection of tents, is sized in between the Single and Double Maharajas. It can hold 180 guests for wedding drinks, 110 diners for the wedding breakfast, or 160 guests seated when the tent is used for the ceremony itself.

For the larger wedding/civil ceremony, where the main tent is used solely for dining, the Mahal makes a superb separate dance tent with a large dance floor, bar and chill out seating for 20/24 guests.

SINGLE MAHARAJA

RAJ TENT

This is the Single Maharaja's little brother, measuring 6m x 4m, although it can easily be doubled up to create a tented space measuring 8m x 6m. The tent comes in two versions, the Traditional Raj Tent which is supported by two central poles, and the Metal Frame Raj which is supported by a metal frame. The advantage of the Metal Frame version is that it allows uninterrupted space inside the tent, and it can be erected on any surface, both indoors and out. In wedding receptions the Raj Tent is mostly used as a chill out or smoking tent and it also makes a perfect bar tent with seating for around 12 guests, or 30 guests if the tent is doubled up.

6M PAVILION

This attractively shaped tent is built around a metal frame and thus has the same advantages as the metal frame Raj Tent. It can be erected on any surface, indoors or outdoors. The tent has a capacity of 40 standing or 19 guests on chill out furniture.

This tent is wonderful as a chill out/smoking tent and has often been used as a bar tent for both indoor and outdoor functions.

OUR SMALLER TENTS

One of Raj Tent Club's strengths is its collection of smaller tents which allows a great deal of choice and flexibility when planning your wedding reception. The small tent collection consists of the 4m Pavilion, the Long Pergola, the 3.5m, 2.8m and 2m Pergolas and finally the walkway which can be made as short or long as is necessary. Our walkways make an impressive entrance into your wedding tent, and protect the bride and groom's finery from inclement weather.

All these tents can be used in many different ways; as bar tents, ceremony tents, mandaps in Indian weddings, as a musicians tent or for use as food stations.

MARQUEE LININGS

For very large weddings, we specialise in lining clear span structures with our sumptuous linings, transforming the ordinary marquee into something magical. To this end, we work in partnership with many of the country's top Marquee companies.

PARASOLS AND SUNSHADES

Our parasols and sunshades add a decorative touch to your garden seating arrangements, and on a sunny day provide welcome shade.

The canvas sunshades are 3m in diameter and the parasols 1.85m

FURNITURE

Our rental collection is very different from those of our competitors and could be said to be less formal with a slightly bohemian touch. It includes our highly popular white and dark wood chill out furniture as well as an eclectic range of wood, rattan and cane garden furniture, much of it vintage. We also have a wonderful range of metal furniture for both indoor and outdoor use.
